

Cy-Fi Karandak logo unveiled

To create awareness about cyber security, the city police and Quick Heal Foundation on Friday announced the launch of Cy-Fi Karandak, a competition of one-act-plays. As many as 28 teams have been selected for the competition which will be held in Pune between December 21 and December 25. Assistant commissioner of police (cyber) Milind Patil and Kailash Katkar, managing director of Quick Heal Technologies, on Friday unveiled the logo the competition.
