Pimpri Chinchwad police in association with Pankh NGO & quick heal foundation jointly conducted programme in Rayat Schools in Pimpri police station area on the subjects POCSO, addiction, cyber security etc.

We are pleased with the quality outcome of social project "Life skills education" and (Shalangan)" counseling center project run by Pankh NGO and quick heal foundation.

The project outcome is remarkable like decrease in affairs, decrease in addiction, reduce in crimes by school student. I appreciate and recommend this project should run for the betterment of the coming generation in various schools.
