

# Quick Heal Foundation launches 'Cyber Shiksha for Cyber Suraksha's Earn & Learn' initiative

BARPETA, (Assam) OCT 10: Quick Heal Technologies Limited, through its CSR arm – Quick Heal Foundation, launched the groundbreaking "Cyber Shiksha for Cyber Suraksha – Earn & Learn" initiative in Barpeta, Assam. The event was graced by the presence of Anupama Katkar, Chief of Operational Excellence, Quick Heal and Chairperson of Quick Heal Foundation, who inaugurated the program, marking a significant milestone in enhancing cybersecurity education in Barpeta. Joining hands with 'Srijan – EkSoch', a local NGO, this initiative, is expected to touch the lives of over 40,000 students and 10,000 villagers in the region, spreading awareness on safe digital practices fortifying cybersecurity preparedness amongst.

As one of the 250 most backward districts in India, Barpeta has been a beneficiary of the Backward Regions Grant Fund Program (BRGF) since 2006. The picturesque town of Barpeta is located 98 kilometers northwest of Guwahati and serves as the administrative headquarters of Barpeta district.

"As we launch the 'Cyber Shiksha for Cyber Suraksha's Earn & Learn' initiative in Barpeta, my heart swells with pride and hope. It is a momentous step towards empowering our communities, and arming them with the knowledge and skills needed to navigate the digital landscape safely. In the 'Land of Satras,' we are sowing the seeds of cyber awareness, nurturing local talent to become Cyber Warriors. Together with 'Srijan – EkSoch,' we are not just securing the digital future of the local community; we are fostering a spirit of resilience and empowerment. Let this initiative be a beacon of light in the world of cyber darkness, guiding our people towards a safer, smarter tomorrow," said Anupama Katkar, Chief of Operational Excellence, Quick Heal and Chairperson of Quick Heal Foundation.

"We are deeply grateful to the people of Barpeta and our village leaders for their unwavering support in making today possible. The students selected for this program are destined to be role models for Assam and beyond, inspiring others to dream big. The smiles we see today are a testament to the collective impact of the Quick Heal Foundation and village leaders. Quick Heal Foundation has played a pivotal role in Srijan's journey, supporting programs like Cyber Shiksha for Cyber Suraksha and Arogya Yan vans. Thanks to the visionary initiative of Quick Heal, especially Anupama Ma'am and Ajay Sir, we have an incredible opportunity to bring about real change. Quick Heal's dedication to society and their contributions to social initiatives inspire us all. Together, we are committed to executing this program with excellence, setting a standard for others to match," said Vikas Kumar Tiwari, CEO, 'Srijan – EkSoch'.
