

College selected for cyber security initiative

LOKMAT NEWS NETWORK

NASHIK, JUN 28

CMCS College (Commerce, Management, and Computer Science) of MVP Samaj from Nashik district has been selected for the national-level initiative of Quick Heal Foundation, Pune - 'Cyber Shiksha for Cyber Suraksha' (Cyber Education for Cyber Security) - to raise awareness about cyber security and foster leadership skills among students.

Four students from the college have been appointed as Club Officers. They are Sahil Sonawane (President), Harshada Borse (Secretary), Anjali Dawood (Media), and Hitesh Baviskar (Director). Additionally, 16 students have been selected as Cyber Warriors. The selection process considered awareness of

Directors with the students selected as club officials under the Cyber Shiksha for Cyber Suraksha event.

cyber security, social responsibility, leadership qualities, and communication skills.

Under the leadership of these selected students, a series of activities will be organised throughout the year, including workshops, interactive sessions, awareness campaigns, and educa-

tional programmes in the field of cyber security. The Foundation has also allocated a special fund to support the college and students for these activities.

The initiative is being guided by IQAC Coordinator Prof Amit Mogal and Cyber Coordinator Prof Swati Tapkire. The students were con-

gratulated by Quick Heal Foundation President Anupama Katkar, Secretary Ajay Shirke, Director Gayatri Keskar, General Secretary Adv Nitin Thakare, all office bearers and directors of the institution, Education Officer Dr Ajit More, and College Principal Dr Madhukar Shelar.
