

Dharampeth Science College

AS PART of the Cyber Shiksha for Cyber Suraksha campaign initiated by Quick Heal Foundation for the academic session 2025–26, four students from Dharampeth M P Deo Memorial Science College have been selected to lead cyber security awareness initiatives.

The selected Cyber Club Officers are:

Rutuja Wanare – President

Ayush Asolkar – Secretary

Pritam Pathak – Activity/Community Director

Priyal Surjuse – PR/Media Director

These students successfully participated in a training-cum-orientation programme held at Quick Heal Foundation, Viman Nagar, Pune, recently. The programme equipped them with the knowledge and leadership skills required to guide their peers as cyber warriors and to spread awareness on cyber safety among school students and the wider community. Dr Varsha Rangari, Head of the Electronics Department, has been appointed as the Teacher Coordinator for this initiative. The training featured expert sessions from notable professionals including Ajay Shirke, Dipu Singh, Gayatri Keskar and Batul.
