NASHIK, JUL 8

The Cyber Club of CMCS College, which has been active for the past three years, has been selected for the Cyber Symposium 2026-27. A new executive committee has been announced for this initiative. Members of this new committee are Riya Pawar (President), Shivani Bhosale (Secretary), Anjali Daund (Director), and Sejal Aher (Director of Public Relations and Media).

The CMCS College Cyber Club was honoured with the prestigious Maharashtra State 'Best Cyber Club' award for the previous year, recognising its significant contribution and effective public awareness campaigns under the 'Cyber Shiksha for Cyber Suraksha' initiative, a national-level programme implemented by the Pune-based Quick Heal Foundation. Additionally, several students were felicitated with the Best Cyber Warrior award. In recognition of this outstanding performance, the CMCS College Cyber Club has been selected to represent Nashik district in this year's Cyber Symposium 2026-27.

College Principal Dr Madhukar Shelar, IQAC Coordinator Dr Amit Mogal, Dr Balasaheb Ikade, Dr Yogesh Aher, and Dr Swati Tapkire with members of CMCS Cyber Club.

The newly appointed office-bearers successfully completed the Officers Training and Installation programme in Pune under the guidance of Quick Heal Foundation Chairperson Anupama Katkar, Secretary Ajay Shirke, Director Gayatri Kesar, and Cyber Coordinator Dr Swati Tapkire.

Adv Nitin Thakare, along with other office-bearers, directors,

Education Officer Dr Ajit More, and College Principal Dr Madhukar Shelar, extended their special congratulations to these newly appointed student office-bearers. The dignitaries urged them to carry forward the college's legacy of excellence and to make public awareness regarding cyber security among students and society more widespread and effective.
